Certificate

MAY 24 2010

of Correction

**REQUEST FOR CERTIFICATE OF CORRECTION OF PATENT
FOR APPLICANTS' MISTAKE (37 C.F.R. § 1.323)**

Sir,

Transmitted herewith is a Certificate of Correction for U. S. Patent No. 7,714,965 which issued May 11, 2010.

The Amendment Under Rule 312 entered in the application and published as the allowed claims contained an error in claims 1 and 51 which are now issued claims 1 and 22. At the end of section i) the "and" should be replaced "or" in accordance with the prior version of the claim presented in Amendment B, modified by the Examiner's Amendment. Each of sections i) and ii) present different azimuth angles. These errors are noted on the enclosed Form PTO/SB/44.

Due to the nature of the errors noted on the PTO/SB/44 Form, it is believed to be in order for the Patent and Trademark Office to approve the enclosed Certificate of Correction, two copies of which are enclosed herewith, and to place such a Certificate of Correction in the file, so that such will appear on any printed copies of the patent which are ordered in the future.

The fee of \$100.00 under §1.20(a) is enclosed.

Respectfully submitted,

HUDAK, SHUNK & FARINE CO. LPA
